

Keeping Informed

AWC Ready Resources

AWC works hard to provide members with real time updates throughout the session, despite unpredictable calendars and constantly changing schedules and debates.

- **Legislative Bulletin**
Weekly during session
Tracking of legislative developments and priorities – emailed every Friday during session and monthly the rest of the year.
- **Legislative update conference calls**
Every Friday afternoon during session
An interactive opportunity to ask questions and get the latest legislative updates from your AWC lobbyists.
- **Action Alerts**
Immediate & as needed
Immediate, as needed email notice to city officials when time is short and local contacts to state legislators are critical to the outcome of legislation. Alerts include key points and bill numbers for easy reference.
- **Legislative home page**
24/7 updates
Real time updates on news, events and legislative developments in Olympia.
- **Additional online references**
For streaming video of live floor action as well as recorded sessions, go to www.tvw.org. In addition, see the A-F directory below for other helpful on-line references.
