Business Inspection and Complaint/Spills Program

The screenshot shows a Microsoft Internet Explorer browser window displaying the 'Stormwater Inspections, Complaints & Claims' program. The address bar shows the URL 'http://espwin02/storminspect/'. The page features several sections:

- Navigation:** Buttons for 'New Spill & Complaint' and 'New Claim'.
- Search:** Fields for 'Partial Name' and 'Partial Address', each with a 'Find' button. There are also search fields for 'Address' and 'Summary'.
- NOTE:** A note indicating that a small icon signifies photos with the file.
- Currently Open Spills & Complaints:** A list of 25 items, each with a date, description, and assigned staff member. Examples include 'Machining Waste-Milk Cutting Oil' and 'Rainier Place Garbage Compactor'.
- Currently Open Business Inspections (Top 20 of 46):** A list of 20 items, each with a date, inspection number, and business name. Examples include 'FOREVER GRANITE' and 'TACOMA PUBLIC UTILITIES RAIL'.
- Currently Open Claims (Top 20 of 66):** A section header for the claims list.

The Windows taskbar at the bottom shows the Start button, system tray, and several open applications including 'Internet Explorer', 'Microsoft Word', and 'Microsoft Excel'.

Detection Equipment

- Whole Water Samplers
- Sediment Samplers
- Air Deposition Samplers

Successes in IDDE

- Grease dumper
- Diesel Discharge
- Mercury Elimination

Special Storm Cleaning

- Thea Foss OF230/235 drainage
 - 80,000 feet of line cleaned and TV
 - 200 cubic yards of material removed

Running a successful IDDE program

- **Initiate action** – Inspections, complaints and spills.
- **Response** – investigation, documentation and tracking.
- **Follow-up and closure** of action.

A background image showing a blue sky with light, wispy clouds and a blue ocean surface. The sun is visible on the left side, creating a bright reflection on the water.
