Risk Management

AWC RMSA Strategic Plan 2013-2015

Mission

The mission of the AWC RMSA is to protect employees, assets, and officials of Washington’s cities and towns through Security, Stability, Service.

Vision

The AWC RMSA is the full service risk management choice for small and medium-sized cities and towns in our state. We are large enough to protect your assets, yet small enough to know your name. We strive to solve problems before they happen, and protect your future when they do; constantly innovating to meet your needs.
