The OSHA 300 form is for employers to record all reportable injuries and illnesses that occur in the workplace.

The **OSHA 300a** is a summary of work-related injuries and illnesses and is **required to be posted February 1, 2017 through April 30, 2017.**

The OSHA 301 forms are individual incident reports or the equivalent to for each injury or illness.

- Current year OSHA is for injuries or illnesses that have been reported and recorded for 2017. This is the report you would give to an OSHA inspector if requested.
- Prior year OSHA links are for injuries or illness that were reported and recorded for 2016
